Get interest paid monthly into the account you choose.

### Features

- Competitive interest rates
- Various fixed terms 6 to 60 months
- Automatic roll over
- No notice period applies
- Monthly interest payment to nominated account
- Open from as little as \$1,000.00

### How we apply interest

Your interest rate is fixed for the time you invest your money in the account.

If you take money out before the investment end date, the interest rate you earn reduces to 0.10% p.a.

Your interest is calculated daily and paid into an account of your choice monthly and on maturity.

### Eligibility

To open a Term Investment account, you must be in Australia and have an Australian residential address. You need to be able to verify both your identity and residential address.

To keep a Term Investment account open, you must continue to have an Australian residential address.

### Using your account

When you open your Term Deposit (monthly income), you will receive a certificate which states your interest rate and term. The interest you have earned will be paid monthly into your nominated account.

We'll remind you (30 days before) your investment end date is nearing. Unless you request otherwise, your investment is:

1. rolled over for the same period of time, if available
2. at the interest rate on that roll-over day, which may be lower

You then have 10 days after the investment end date to adjust this.

You need at least \$1,000.00 to open your account.

Your investment is available on the day your Term Investment matures.
