

Term Deposit (Term Investment)

Earn a fixed rate of interest when you open a **Term Deposit** account and select from various fixed terms and interest payment options.

A Term Deposit account is an account where a fixed amount of money is invested for a fixed term we agree with you, and which attracts interest at a fixed rate for that agreed fixed term. After you open the account you can only put your money in once and take money out once. A Term Deposit account therefore may not be suitable for you if you might need the money back before the end of the agreed fixed term (i.e. the maturity date). If you take money out/ close your account before the maturity date, the interest we pay will be significantly reduced.

Features

- Competitive interest rates
- Various fixed terms available (from 1 to 60 months)
- Minimum initial deposit \$1,000.00
- Automatic rollover unless you tell us or we specify otherwise (subsequent terms may have a lower interest rate)
- No withdrawal notice period applies
- The interest you earn reduces if you take money out early.

How we apply interest

The interest rate is fixed for the term you select and that we agree with you, provided you don't take money out/ close your account during that agreed fixed term.

Find the latest fixed terms and interest rates at <https://www.greater.com.au/personal/interest-rates>.

If you do take money out/ close your account during the agreed fixed term (i.e. before the maturity date), the interest rate you earn from the date you opened or last rolled-over your Term Deposit to the date on which you take money out/ close your account reduces to:

- If your current Term Deposit was opened or rolled-over for a new term before 31 August 2020, 0.10% p.a.
- If your current Term Deposit was opened or rolled-over for a new term on or after 31 August 2020, 0.01% p.a.

The amount of interest paid to you will be adjusted to reflect the reduced interest rate and if we've already paid the interest, we'll reduce the balance of your account by the amount we've overpaid you.

Interest is calculated daily and paid into your nominated account at the times we agree with you - e.g. 6 monthly and/or on maturity, depending on how much you deposit and the agreed fixed term (interest adjustments apply if you take money out/ close your account before the maturity date).

We may offer special interest rates on selected fixed terms. The fixed terms with special rates vary from time to time. As a result, if you have a special rate, that rate will generally only apply for a single fixed term. A lower rate may apply to any subsequent fixed term.

Eligibility

To open a Term Deposit account, you must be in Australia and have an Australian residential address. You need to be able to verify both your identity and residential address.

To keep a Term Deposit account open (including to rollover your Term Deposit), you must continue to have an Australian residential address.

You need to deposit at least \$1,000.00 to open or rollover (i.e. renew) a Term Deposit account.

Using your account

When you open your Term Deposit account you will receive an account confirmation that sets out the agreed fixed term, your interest rate for that fixed term and the frequency of interest payments.

Withdrawals before the maturity date are only permitted if you take all of the money out and close your Term Deposit account. If you do take money out and close your account before the maturity date, the reduced interest rate (described above) applies.

We'll remind you when the maturity date is nearing. Unless you tell us or we specify otherwise, on the maturity date we will rollover (i.e. renew) your Term Deposit:

- for the same fixed term (if available, otherwise for the most similar available term)
- at the interest rate for that fixed term on that rollover day (which may be lower than your previous interest rate).

You can tell us what you would like to do with the money in your Term Deposit account when it matures before the maturity date. We also give you a 10 calendar day grace period after the maturity date to take out all of the money and close your account or change the details of the rolled-over Term Deposit, such as the amount invested (provided it is at least \$1,000.00), the new term and interest payment options - the interest rate on the rolled-over Term Deposit may change as a result of you changing the details of the rolled-over Term Deposit).

Your money is available on the day your Term Deposit matures and during the 10 calendar day grace period after the maturity date.

How you can move money into your account to start your fixed term

- Online, mobile or via phone banking
- Direct credit (via BSB and Account No. or PayID*)
- Over the counter at a branch.

How you can move money out of your account on the maturity date and during the 10 day grace period

- Online, mobile or via phone banking
- Over the counter at a branch
- Using a third party i.e. another financial institution.

How to close your account

1. Contact us by phone or email, or visit us in a branch for a withdrawal form
2. Return the completed form to us.

You can also close your account on the maturity date via online banking.

If you break the agreed fixed term before the maturity date, the reduced interest rate (described above) applies.

Fees and charges

The Term Deposit account is not subject to transaction fees. Services fees and government charges may still apply.
